

# Super Water Wizard Truck Wash

Super Water Wizard Arch

The **Super Water Wizard Truck Wash** features 5+ sets of powerful cleaning oversized arches and high pressure tire washers. This system can be customized to fit your needs adding additional arches, chemical tire cleaners, and specific chemicals such as high PH or santizing to add an extra cleaning touch. The final Santizing Rinse Arch cleans the vehicles to meet standards to be utilized in the food industry. This touch-free system is ideal for cleaning large industrial trucks, buses, and 18 wheelers.

*Consider the **Super Water Wizard Truck Wash** for on-site locations at food processing plants, bus barns or storage facilities, truck stops, distribution centers, warehouses and more!*
